

CUPE 409 BURSARY APPLICATION

Dear Students,

CUPE Local 409 is offering a bursary towards post-secondary studies in the amount of \$500.00. Sometimes we choose to split the amount between two successful applicants. We make every effort to award financial aid when circumstances require it. CUPE Local 409's Bursary Committee reads and reviews all applications and makes a collective decision on how to award the funds. You will be notified by us if you are chosen.

Criteria for this Bursary:

- You are in your final year of secondary school
- Complete this application
- Add a cover letter to the Bursary Committee stating your educational intentions
- Please provide a transcript
- Enclose 2 letters of reference, preferably one from a school staff member
- Have a connection to a CUPE Local 409 member in good standing

Applications must be received by April 1st, thank you. You may submit by post mail or email (details on page 2)

Please note that scholarship winners must provide proof of enrollment within one calendar year of being awarded in order for your cheque to be mailed. Send proof of enrollment (letter or course schedule with post secondary institution letterhead and address).
